Additional lyrics:

It's the rule that you live by and die for,
It's the one thing you can't deny,
Even though you don't know what the price is,
It is justified.

So much more that you've got left to fight for,
But it still doesn't change who you are,
There is no fear you'll ever give in to,
Untouchable.

'Cause you're losing your mind
And you sleep in the heart of the night.
